

DIAMOND WIRES

CAB80

The wire intended for concrete

DESCRIPTION AND BENEFITS

- THE ecological solution: less dust, noise and vibrations
- Spacing between the beads in flexible material to facilitate use
- Ideal distance between the beads for optimised cutting

MATERIALS

Concrete, Reinforced concrete

Reference	Number of beads per linear metre	Diameter of beads	Pearl length	Dry or wet work
CAB80-1140	40	11	6.5	Dry
