| Engine                      | Electric 400 V - 4000 |
| Diameter                    | 700 mm                |
| Bore                        | 30 mm                 |
| Maximum cutting length      | 550                   |
| Depth                       | 275                   |
| Rotation speed              | 1380 rpm              |
| Net weight                  | 145 kg                |
| Dimensions l x w x h        | 1450 x 750 x 800 mm   |

MADE IN EUROPE

700 mm

275

- Water tank 70 l
- Large cutting capacity
- Water pump
- Guide laser included

2 wheels for easier movement

Steel chassis, galvanised

#### EXPERT ADVICE

To extend the lifespan of your table saw, remember to clean the water pump after each use: immerse the pump in clean water and run for a few minutes with no load

#### EN OPTION
