Depth	310
Rotation speed	1350 rpm
Net weight	290 kg
Dimensions l x w x h	1600 x 1000 x 1750 mm

MADE IN EUROPE

750 mm

310

- Centrifugal clutch with double reduction = effortless machine start-up
- Single-phase engine = can be connected to all sockets
- Reinforced galvanised steel chassis
- Belt transmission to increase working speed during cutting
- Large cutting capacity

Easy transport: wheels + fork passage + lifting rings

120 liters removable water recovery tank

EXPERT ADVICE

To extend the lifespan of your table saw, remember to clean the water pump after each use: immerse the pump in clean water and run it for a few minutes without load
